Section 5 - Grounds of objection

You are required to give a full and detailed statement of your grounds of objection.

Attach any information such as a valuation report provided by a Certified Practicing Valuer, sales report, building inspection report, pest control report, photographs or additional information you believe will support your objection.

To determine statutory property values, qualified valuers research the property market and examine trends and sales information for each land use category (e.g. residential, commercial and industrial). Refer to the *Property Valuations – Understanding the Process Fact Sheet* for more information. Attach a separate sheet if there is insufficient space.

Section 6 - Comparable market sales

If sales evidence is available which may support your objection, provide a brief summary below or attach a sales report at or around the date of valuation 1 January. Supporting information as part of your objection, will assist with its early resolution. Refer to the *Property Valuations – Understanding the Process Fact Sheet* for more information.
